The private owner is offering 369m2 Food Processing Hall for a long-term rent.

The hall has all utilities and has been built in 2015.

The space has been used for sugar processing and packaging until the May 2017.

The hall has all certificates and permissions for food processing from the local authorities.

The hall could be enlarged by adding 400m2 modul towards South and 300m2 modul towards North, which will bring the future size to 1069m2. There is a possibility to use the expansion towards the West and obtain further 1069m2.

The hall is ideal for starting the business in Slovakia with a future possible expansion according to the needs.

The hall is only 1 hour and 30 minutes North from the Budapest International Airport and 30 minutes from M2 highway in Hungary. (Nova Ves, Velky Krtis District)
